Edison Co.'s Paek Exceeds 2-Million KW

Southern California Edison company's gross peak demand exceeded 2,000,000 kilowatts for the first time when 2,002,100 kilowatts were delivered to the company's customers last week, according to L. E. Jenkins, manager of the company's Redondo Beach district. Previous high demand on the Edison system was 1,998,200 kilowatts, which was recorded on December 9 of last year.

This new 2,000,000 kilowatt peak was the combined electrical demand of all Edison customers—industrial, commercial, agricultural and domestic. It is equivalent to the amount of electricity necessary to serve the average domestic electrical needs of about three and a third million homes.

Dinner Plans Discussed

A special committee of Temple Menorah Sisterhood members met recently at the home of Mrs. Anthony Marano to formulate plans for a "Progressive Dinner" scheduled for Saturday evening, February 12. Those present were Mes. Morris Rockenmacher, Sam Katz, Ben Wallace, Mark Bennett, Paul Schear and Sydney Siegel.

Mrs. Bennett, chairman, announced that advance notice of this novel affair is already stimulating considerable interest, and stressed that reservations are necessarily limited to the number of guests homes the several hostesses are able to serve.

After the dinner guests have completed their rounds, dessert and coffee will be served at the Temple, 112 1/2 No. Catalina. Cards and dancing will complete the evening. Further information concerning the "Progressive Dinner" may be secured from Mrs. Bennett at FRontier 5-1264.
